Fed up with £3.75 a movie and getting fines?

Dear Mr Simpson,

I was fed up too. I am Legend now because I manage www.LOVEFiLM.com. Some people call us Heroes but we prefer Goodfellas. Rest assured we'll look after you as though you were part of The Royal Family. We could give you 24 reasons why you should join LOVEFiLM but Life is Beautiful and we're sure you've got other stuff to do.

So, here's SE7EN:

1. Baywatch as many films as you like each month
2. The Price is Right from just £3.99
3. Choose Me or over 65,000 great films/TV shows
4. No more cheeky Fockers charging you late fees!
5. Get Lost and cancel whenever you like
6. You won't even have to leave the House
7. No more Scary Movie rental prices

The Postman Always Rings Twice so you'll have plenty of time to get to The Doors to collect your films. The Next Best Thing, if you're worried about the Rain, Man, is you'll never have to Run Lola Run down to your video store again on a wet Dark Knight. The Long Walk Home will also be a distant Memento.

Be Cool and Checkout why the Lives of Others are so much better in our Free Zone. Your Vantage Point is just in The Front of your computer Scream. Click on Mickey Mouse and type in www.lovefilm.com/1monthfree or get your Secretary to do it for you. You'll be Sorted and Gone in 60 Seconds. Before you know IT, You've Got Mail.

Too Good to Be True? We think LOVEFiLM is As Good As It Gets...

Cheers,

Simon Calver
